## A WORD FROM FELIX JONES

I speak for the committee and the trustees who wish me to thank so many people who have helped us to make our Centre a reality.

Firstly our guests in Dalkey whom we welcome: Benny Carabini of British Rail B.C., Gus Dorrington of Terenure B.C., the officials of Avona, and C.I.E. boxing clubs, and the officials of the Welsh A.B.A. We thank Charlie Higgins chairman of the Dublin County Board and Frank Bannon, the Hon. secretary for their efforts on our behalf with the Welsh Amateur Boxing Association. Now about the future of this centre.

We are in the process of making lettings to interested people, groups or clubs. So we would like anyone who wishes to make use of the centre to apply at the earliest possible date for information about our rates and the times we have available.

Our centre may be used for:  
Boxing, basketball, wrestling, table tennis, judo, gymnastics, tennis, bowling, badminton, seven-a-side soccer, a sauna, or a variety of indoor sporting activities.

We would like to see schools in the area avail of these facilities for development and education of the youth of the Borough.

Regarding funds. We have received letters and subscriptions from people in Dalkey, the Borough and also outside the Borough and we would like to thank them for their generosity. However, we feel that the vast majority of the people are not fully aware of the effort involved and the cost of building and running such an undertaking. So we appeal once again for financial help, no matter how small. We look forward with confidence to your support and once again we say—give us your help and we will produce the Goods—a sports centre for your children and yourselves, a venture of which we can all be proud.

We would like to thank the Irish Amateur Boxing Association, The Council of the Dun Laoghaire Borough and also the Dept. of Education for their help and generosity in this undertaking. And we do not forget the firms in the building trade who supplied materials for this building.

Yours in Sport,  
**FELIX JONES**  
*Hon. Secretary.*
