

Re; **2016 Mick Holden Golf Classic Sponsorship**

Dear Sir/Madam,

Please find detailed below some information around our 2016 Mick Holden Golf Classic, hopefully this may aid your sponsorship consideration.

Cuala as you're aware has approximately 1,700 members and has a very positive profile with their associated family members and the Borough community.

Our adult Hurling section, which is the club's highest profile group, costs approximately € 60,000 to run annually. We raise this amount with these Golf classics, club support and individual sponsorships etc.

Cuala has 9 players within the Dublin Hurling squad, this is, to the best of our knowledge, unprecedented in the modern era.

The Cuala Hurling team has brought great positive exposure to the Borough with our recent success in winning the Dublin League and Championships. Cuala is currently rated as one of the top 6 club teams in the country and this year our focus is to win Dublin again and ultimately the Club All-Ireland.

We got excellent support last year and trust that this can be continued in 2016.

We'd love if you could support us in with the attached event with a team sponsorship and/or a hole sponsorship. Alternatively, we'd gladly welcome any spot price or donation that you might be able to give.

**What we can offer;**

Acknowledgement in the Cuala Website which has an average 6,200 views per month.

Acknowledgement in the Hurlers Facebook page with approx. 10,000 hits.

Inclusion in Cuala Newsletter (2k mailing list) stating the sponsor.

Inclusion in the event programme.

Kindest regards,

Eddie Gough.

Organising Committee.
