

Dear Parent / Guardian

Please find below the Cuala Covid-19 plan for the summer Camp. In order to maximise the enjoyment of the camp and to ensure the safety and well being of all participants, please follow the instructions below.

### **1. Entrance and Exit policy.**

Cuala will have an Entrance and Exit policy. This will consist of the following,

- All children between the ages of 9yrs to 12yrs will enter and leave through the small gate at the end of the railings. This will help relieving any bottlenecks that may develop at these times.
- All children under the age of 9yrs will enter and leave through the main gate at the club house. This is to alleviate any bottlenecks that may occur during entrance and exit times.

### **2. Time slots for arriving and leaving.**

There will be time slots for the dropping off and collection of children. The following times are the allocation of slots.

Pitch numbers will be advised on day one and players will go to that same pitch each day.
